

WATER REPELLANTS

FLUORINE AND FLOURINE FREE DURABLE WATER REPELLANTS

Let's start a discussion!

Category	Product Name	Description
Water, Oil & Soil Repellents	RAIN-OFF® a-1800	Modified Resin, fluorine free Durable water repellent
Water, Oil & Soil Repellents	Altopel F3	Bluesign-registered, fluorine-free durable water repellent Synthetic and natural fiber textiles.
Water, Oil & Soil Repellents	Shell Tech Free® 6053	Fluorine-free durable water repellent Outperforms conventional fluorochemical repellents in water impact resistance while yielding low mark-off on finished fabrics.
Water, Oil & Soil Repellents	Shell Tech Free® M325-SC1	Fluorine-free durable water repellent Imparts high water repellency together with excellent wash durability to cotton rich and synthetic fibers.
Water, Oil & Soil Repellents	Shell Tech Free® M425 XP	Fluorine-free durable water repellent Yields excellent water and water-based stain repellency on synthetic and natural fiber fabrics. Very high wash durability.
Water, Oil & Soil Repellents	Altopel 6052	C6 aqueous fluorochemical finish for oil & water repellence Synthetic fiber textiles including nylon, rayon, aramid, polyester, and their blends with natural and elastic fibers
Water, Oil & Soil Repellents	Altopel M335-HP	C6 aqueous fluorochemical finish for oil & water repellence Tough fabrics like digitally printed acrylic fabrics specially to limit the level of fluorocarbon content needed to achieve the desired performance profile of high oil repellency & spray resistance
Water, Oil & Soil Repellents	Shell Tech 6 Elite	C6 aqueous fluorochemical finish for oil & water repellence Tough fabrics like digitally printed acrylic fabrics specially to limit the level of fluorocarbon content needed to achieve the desired performance profile of high oil repellency & spray resistance

Information contained in this technical data sheet is up-to-date and correct to the best of our knowledge at the date of issue and are subject to change. As Organic Dyes and Pigments LLC cannot control or anticipate the conditions under which this product may be used, each user should review the information in specific context of the planned use. Organic Dyes and Pigments LLC will not be responsible for damages of any nature resulting from the use or reliance upon the information contained in this data sheet. No express or implied warranties are given.
